Welcome to **Wild Luxury!** Located in Tsavo West National Park, Finch Hattons Eco Tented Camp is set around natural fresh water springs within 34 acres of pure untouched wilderness and surrounded by views of Mt Kilimanjaro and the magnificent Chyulu Hills. Originally opened in 1993, we re-opened in 2015 after a complete rebuild of the camp and were named best new safari camp by Architectural Digest in 2015. Also voted as Africa's Leading Tented Safari Camp 2016 at the World Travel Awards, the Finch Hattons team takes pride in providing an unparalleled luxury safari experience for multi-generational travel together with tailor made experiences for our guests reminiscent of Old Africa.

## WHAT SETS US APART

- 23 years of history, newly refurbished in 2015.
- Voted Best New Safari Camp by Architectural Digest 2015.
- Wild Luxury - personalized tailor made service in the heart of the African wilderness.
- Only luxury camp in Tsavo West, just you and over 2 million acres.
- Multiple dining locations.
- Breath-taking views of Mt. Kilimanjaro and Chyulu Hills.
- Resident hippos and crocodiles and teeming birdlife in the natural springs.
- Elephant, leopard, herbivores and other animal sightings around camp.
- Spa and wellness centre with a yoga deck, hammam, treatment rooms, infinity pool and fully equipped gym.

## NATURAL SPRINGS

- Permanent crystal clear springs teaming with wildlife and birds.
- Resident hippos and crocodiles.
- Unique eco-system of Tsavo has created underground water systems between Chyulu Hills and Mt. Kilimanjaro, which surface in some areas creating springs.

## CONSERVATION & COMMUNITY

Join in on any of our conservation and community based programs in Ilital - Solar, Permaculture and Conservation through schools initiatives.

## GUEST SAFETY

We are located in 35 acres of unfenced wilderness in the National Park. Wild animals roam freely and you must be vigilant at all times. During early mornings, evenings and after dusk, it is strictly forbidden to walk around the camp without a Finch Hattons escort. Our security guards are available 24 hours a day. Walking should only be on the designated foot paths at all times.

## ACCESS

- Safarilink Aviation operates scheduled flights daily. Two in the high season and one in the low season. Flights depart from Nairobi's Wilson Airport and land at Finch Hattons Airstrip. Flight time is 50 minutes.
- Mombasa Air operates one scheduled flight daily from Mombasa/Diani. The flight takes approximately one hour.
- The flight is followed by a 10 minutes drive to the camp with game viewing enroute.

## SUSTAINABILITY

- Environmentally friendly camp design.
- Sustainable and environmentally friendly waste water management system.
- Organic room and spa amenities.
- Use of eco friendly cleaning products.
- Organic herb and vegetable garden.
- Filtered vivreau drinking water bottled at camp.

.....  
It is difficult to capture just how magical the Finch Hattons experience is until you go there. When you think you have seen the very best, more is delivered to you, which exceeds most expectations. We were literally blown away by and cannot recommend it enough if you want to be immersed in luxury, style and beauty, almost untouched nature.

# TABLE OF FACTS

“Connoisseurs of luxury have a newfound reason to visit the geographically diverse Tsavo National Park. From Hemingway’s “Green Hills of Africa”, the Chyulu Hills, lava caves to the vastness of the dry red soil of Tsavo - this National Park has more to offer than one thinks. Abundant green hills and rare patches of rain forests as far as the eyes can see; the view here speaks for itself.”
